University of Rajshahi, Rajshahi 6205, Bangladesh

Rajshahi City

Rajshahi is a border city, located near the Ganges River. It is the oldest city in the northwestern part of Bangladesh. The city is known as the Education City for its famous educational institutions. Recently, this city has been popular with people of Bangladesh and abroad as a Green, Clean, and Peaceful City. The city enjoys a sub-tropical climate. During the conference period, mild cold weather is expected.

Communication

Rajshahi city is connected by air, bus, and train to the capital Dhaka, and other parts of Bangladesh. The city is 255 km away from the capital Dhaka. Local transport service from Rajshahi Airport to the university will be provided for both national and international participants.

Conference Schedule

This international conference is for Two days (7-8 November 2024); however, a field visit will be held on 3rd day (9 November 2024) to visit the unique Barind topography, the world-famous Rajshahi Silk Production unit, Varendra Research Museum and historical places in the north-western part of Bangladesh.

Abstract Submission

Participants are asked to submit an abstract in an e-mail (**conference-ies2024@ru.ac.bd**) within 300 words (Times New Roman, MS Word, 12 font size) by September 15, 2024. The abstract should include the title, background of study, objectives, materials and methods, results, and a maximum 5 keywords. All authors' names, affiliations and the e-mail of the corresponding author should be included in the abstract. The presenting author's name should be underlined and bold.

Oral and Poster Presentation

The participants can present their topics either orally or poster. The time for oral presentation is 8 minutes and 2 minutes for discussions. The color poster size is 120 cm x 90 cm. The poster should include a title, author name and affiliations, abstract, maximum 5-key words, introduction, objectives, materials and methods, results, conclusions, and references. A small-color photograph of the authors may be depicted in the poster. Oral and poster presentations will be reviewed, and good-quality papers will be published in the Journal of Environmental Science Special Issue.

Best Paper Award

The three best papers and posters will be selected from each session for award on day 1 and day 2.
